Dear Hiring Manager,

I am writing this letter to express my interest in the front-end web developer position as advertised through LinkedIn.

I am familiar with several web technologies such as HTML, CSS, JavaScript, and React. I am confident with the fact that the knowledge, which I has developed through my education, makes me an ideal candidate for this position at your company. On top of that, I have a good understanding of what it takes to build a responsive and robust website.

I am aware that your company has tremendous potential. I would like to join your team. I have no difficulty adapting to new environments, and I also have passion and energy to go the extra mile under any circumstances.

I would be delighted to have the opportunity to meet with you and further discuss my qualifications.

Thank you for your time and consideration. I look forward to hearing from you.

Sincerely,
Dongyeon Lee
